in consideration of:

- provisions of the article 6 of the Government Decision no. 583/2016, on the approval of the National Anticorruption Strategy 2016-2020 (*"within three months from the date of entry into force of this decision, all the institutions, central and local public authorities, including the subordinated and coordinated ones, under the authority, as well as the **public enterprises** meet the accession procedures to the strategy and within six months from the same date, they prepare and transmit the related integrity plans to the Ministry of Justice".*)
- provisions included in the objective 6.6., item 1 of the Annex 1 of the Government Decision no. 583/2016 (*"the adoption of the declaration of accession to the fundamental values, principles, objectives and the mechanism for monitoring the National Anticorruption Strategy (NAS) and communication to the Technical Secretariat of the NAS..."*)

we forward this statement

STATEMENT

***ON ADHERING TO THE FUNDAMENTAL VALUES, PRINCIPLES, OBJECTIVES AND
MECHANISM FOR MONITORING THE NATIONAL ANTICORRUPTION STRATEGY
2016 -2020, THROUGH WHICH***

1. We adhere to the fundamental values, principles, objectives and to the mechanism for monitoring the National Anticorruption Strategy for the period 2016 -2020;

2. We support and promote the implementation of the anti-corruption legislative framework aimed at: implementing the integrity plans and developing the national system for monitoring the *National Anti-corruption Strategy*, preventing the corruption within public enterprises, enhancing the anti-corruption education of employees in the public enterprises;

3. We undertake to ensure unimpeded access to public interest information on the activity of the public enterprise and the transparency of the decision-making process in the public enterprise.

ANTIBIOTICE S.A.

General Director,

Ioan NANI
