

Informative material regarding the item 1 on the Agenda of the Ordinary General Meeting of Shareholders (OGMS)

1. Antibiotice S.A. asks the shareholders to approve the distribution of the net profit resulting from the 2023 financial statements as follows: 50% of the net profit will be distributed to the shareholders in the form of dividends, and 50% will be used as a self-financing source for the investments included in the Revenue and Expenditure Budget approved by the General Meeting of Shareholders on 29.02.2024.
2. Antibiotice S.A. informs the shareholders that:
 - The Government, in the meeting of 07.03.2024, approved the Memorandum with the topic "*Authorization of state representatives in the General Meeting of Shareholders/Management Board, as the case may be, in national societies, national companies, companies with full or majority state capital, as well as autonomous administrations to take the necessary measures to distribute a share of at least 90% of the net profit achieved in 2023 in the form of dividends/payments to the state budget*"
 - Given that the Income & Expenditure Budget of Antibiotice S.A. approved by the OGMS in the session of 29.02.2024 includes 50% of the net profit for 2023 as a source of self-financing for the Investment Plan, the Ministry of Health as Public Tutelary Authority of Antibiotice S.A. requested through the Memorandum no. AR/6145/2024 as the company to be exempt from the obligation to distribute 90% of the profit as dividends and setting a share of 50% for investments, as substantiated in the approved Income & Expenditure Budget.
3. Therefore, the "for" vote of the company's shareholders represents:
 - the approval to distribute 50% of the net profit in the form of dividends, if the Memorandum formulated by the Ministry of Health receives a favorable opinion from the Ministry of Finance and from the Government of Romania (Annex 1),
or
 - the approval to distribute 90% of the net profit in the form of dividends, if the Memorandum formulated by the Ministry of Health receives a negative opinion from the Ministry of Finance and from the Government of Romania (Annex 2).

The company's shareholders will be informed in due time on how the Memorandum of the Ministry of Health was approved, so that, on the date of the vote, they can express their will in an informed manner.
