

## INDEPENDENT AUDITOR'S REPORT

To the Shareholders of  
ANTIBIOTICE S.A.

### Report on the Audit of the Financial Statements

#### Opinion

1. We have audited the financial statements of Antibiotice S.A ("the Company"), with registered office in Iasi, strada Valea Lupului, nr 1, identified by unique tax registration code 1973096, which comprise the statement of financial position as at 31 December 2025, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.
2. The financial statements as at 31 December 2025 are identified as follows:
  - Net assets / Equity RON 932.073.712
  - Net profit for the financial year RON 51.769.472
3. In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at 31 December 2025, its financial performance and its cash flows for the year then ended in accordance with Ministry of Public Finance Order no. 2844/2016 for the approval of accounting regulations conforming with International Financial Reporting Standards ("MoPF 2844/2016").

#### Basis for Opinion

4. We conducted our audit in accordance with International Standards on Auditing (ISAs), Regulation (EU) No. 537/2014 of the European Parliament and the Council (herein after referred to as "the Regulation") and Law 162/2017 on the statutory audit of annual financial statements and annual consolidated financial statements and on amending other pronouncements (herein after referred to as "the Law 162/2017"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), as applicable to audits of financial statements of public interest entities, together with the ethical requirements that are relevant to audits of the financial statements of public interest entities in Romania, including the Regulation and the Law 162/2017. We have also fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key matters	How our audit addressed the key matters
<p>Revenue recognition, including discounts granted</p> <p>The revenues generated from the sale of finished products and traded goods represent the Company's core activity.</p> <p>Recognition of revenues resulting from the sale of finished products and goods depends on the appropriate assessment of the amount of the contractual counter performance, including discounts granted in some sales transactions and their registration in the period to which they refer, in accordance with the commercial clauses of the contracts with customers.</p> <p>We believe that revenue recognition is a significant audit area, as the Company's management may incorrectly account the revenue from the sale of finished products and goods due to the nature of the sales transactions and contractual clauses regarding the manner and date when control over the sold goods is transferred.</p> <p>In addition, revenue is one of the Company's most important key performance indicators. The Company's presentations of revenue are included in the Note 3 to the financial statements.</p>	<p>Our audit procedures performed to address the risk of material misstatement of revenue recognition included the following:</p> <ul style="list-style-type: none"> <li>• We evaluated the Company's accounting policies on revenue recognition, including discounts granted.</li> <li>• We assessed the development and implementation of existing key internal controls regarding the sales transactions of finished products, goods and discounts granted.</li> <li>• We confirmed the revenue and discounts granted to the customers selected on the basis of a random sample on December 31, 2025 in order to evaluate the completeness of the transactions made by the Company with them.</li> <li>• We selected a random sample of revenue including the discounts granted, which we compared with the relevant supporting documents to ensure the accuracy and completeness of the recorded transactions, also validating the financial period in which they had to be recorded depending on the date on which the transfer of control over the finished products or goods sold was made from the Company as the seller to the customer as the buyer.</li> <li>• We performed analytical procedures that consisted in the analysis of revenue and discounts granted, comparing the current period with the previous one for: sales, customer volumes and margin.</li> <li>• We evaluated whether the information presented in the Explanatory Notes is appropriate.</li> </ul>

## Other Information

6. The administrators are responsible for the preparation and presentation of the other information. The other information comprises the Administrators' report and the Remuneration report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and, unless otherwise explicitly mentioned in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements for the year ended 31 December 2025, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

### Other responsibilities of reporting with respect to other information – Administrators' report

With respect to the Administrators' report, we read it and report if this has been prepared, in all material respects, in accordance with the provisions of MoPF 2844/2016.

On the sole basis of the procedures performed within the audit of the financial statements, in our opinion:

- a) the information included in the Administrators' report, for the financial year for which the financial statements have been prepared is consistent, in all material respects, with these financial statements;

- b) the Administrators' report has been prepared, in all material respects, in accordance with the provisions MoPF 2844/2016.

Moreover, based on our knowledge and understanding concerning the Company and its environment gained during the audit on the financial statements prepared as at 31 December 2025, we are required to report if we have identified a material misstatement of this Administrators' report. We have nothing to report in this regard.

## **Other reporting responsibilities with respect to other information – Remuneration report**

With respect to the Remuneration report, we read it to determine if it presents, in all material respects, the information required by article 107, paragraphs (1) and (2) of Law 24/2017 regarding the issuers of financial instruments and market operations, republished. We have nothing to report in this regard.

## **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

7. Management is responsible for the preparation and fair presentation of the financial statements in accordance with MoPF 2844/2016, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. Those charged with governance are responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
  13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.
  14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## ***Report on Other Legal and Regulatory Requirements***

15. We were appointed by the General Meeting of Shareholders on April 27, 2023 to audit the financial statements of Antibiotice S.A. for the financial year ended 31 December 2025. The uninterrupted total duration of our commitment is 3 years, covering the financial years ended 31 December 31 2023 until 31 December 2025.

We confirm that:

- Our audit opinion is consistent with the additional report submitted to the Audit Committee of the Company that we issued the same date we issued this report. Also, in conducting our audit, we have retained our independence from the audited entity.
- No non-audit services referred to in Article 5 (1) of EU Regulation no. 537/2014 were provided.

## **Report on the Information Regarding Income Tax**

16. For the financial year preceding the financial year for which the financial statements were prepared, the Company was not required under MoPF 2844/2016, articles 602 - 606, to publish a report on income tax information.

**Report on compliance with Law no. 162/2017 on the statutory audit of annual financial statements and annual consolidated financial statements and on amending other pronouncements (“Law 162/2017”), and Commission Delegated Regulation (EU) 2018/815 on the European Single Electronic Format Regulatory Technical Standard (“ESEF”)**

17. We have undertaken a reasonable assurance engagement on the compliance with Law 162/2017, and Commission Delegated Regulation (EU) 2018/815 applicable to the financial statements included in the annual financial report of Antibiotice S.A. (“**the Company**”) as presented in the digital files which contain this audit report (“**Digital Files**”).

*(I) Responsibilities of Management and Those Charged with Governance for the Digital Files prepared in compliance with ESEF*

Management is responsible for preparing the Digital Files that comply with ESEF. This responsibility includes:

- the design, implementation and maintenance of internal controls relevant to the application of ESEF;
- ensuring consistency between the Digital Files and the financial statements to be submitted in accordance with Ministry of Public Finance Order no. 2844/2016 for the approval of accounting regulations conforming with International Financial Reporting Standards (“MoPF 2844/2016”).

Those charged with governance are responsible for overseeing the preparation of the Digital Files that comply with ESEF.

*(II) Auditor’s Responsibilities for the Audit of the Digital Files*

Our responsibility is to express a conclusion on whether the financial statements included in the annual financial report complies in all material respects with the requirements of ESEF based on the evidence we have obtained. We conducted our reasonable assurance engagement in accordance with International Standard on Assurance Engagements 3000 (Revised), Assurance Engagements Other than Audits or Reviews of Historical Financial Information (ISAE 3000) issued by the International Auditing and Assurance Standards Board.

Our firm applies International Standard on Quality Management 1 (“ISQM1”), and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

A reasonable assurance engagement in accordance with ISAE 3000 involves performing procedures to obtain evidence about compliance with ESEF. The nature, timing and extent of procedures selected depend on the auditor’s judgment, including the assessment of the risks of material departures from the requirements set out in ESEF, whether due to fraud or error. A reasonable assurance engagement includes:

- obtaining an understanding of the Company’s process for preparation of the digital files in accordance with ESEF, including relevant internal controls;
- reconciling the digital files with the audited financial statements of the Company to be submitted in accordance with Ministry of Public Finance Order no. 2844/2016 for the approval of accounting regulations conforming with International Financial Reporting Standards (“MoPF 2844/2016”);
- evaluating if the financial statements contained in the annual report have been prepared in a valid XHTML format.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

In our opinion, the financial statements for the year ended 31 December 2025 included in the annual financial report in the Digital Files comply in all materials respects with the requirements of ESEF.

In this section, we do not express an audit opinion, review conclusion or any other assurance conclusion on the financial statements. Our opinion relating to the financial statements of the Company for the year ended 31 December 2025 is set out in the “*Report on the audit of the financial statements*” section above.

The engagement partner on the audit resulting in this independent auditor’s report is Ioana Alina Mirea.
